10 steps to selling your home professionally

6. Create brochures

- Convert your advertisement into a printable PDF brochure
- Print as many brochures you need for your local area
- For professional results visit your local printing centre

7. Open for Inspection

- Have printed brochures ready
- Prepare answers to questions about rates, local parks, public transport, schools etc.
- Take contact details of all visitors to follow up
- Always conduct inspections with a friend or partner
- Give visitors space to view the property at their own pace, but be attentive to them

8. Negotiations

- Comprehensive negotiations guide for all sellers received after check-out
- Multiple, easy to follow strategies to help you feel comfortable
- Dealing direct with buyers places you on a level playing field. No games

9. Deposit + Settlement

- Buyer pays a 10% deposit to be held in your solicitor or conveyancer's trust account
- Consult with your buyer to select a suitable time in the final week
- Complete list of things to check is available in the Knowledge Centre
- Select one of our legal partners, or your own, to execute settlement

10. Celebrate

- Congratulations. You just sold your own property and saved thousands of dollars
- What will you do with the savings? New car, new furniture, holiday ...
